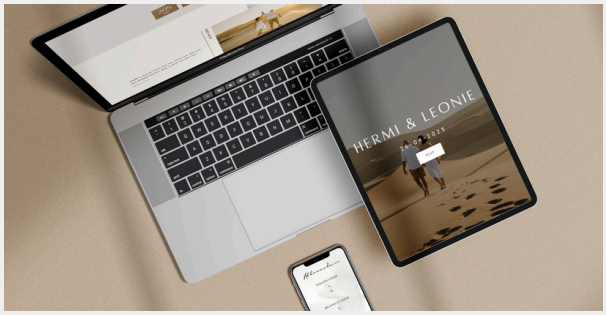
ABOUT US

Dear Bride & Groom to be...

We are dedicated to turning your vision into reality. We custom-design your wedding website to reflect your unique ideas, style, theme, and color scheme.

Whether you're planning a grand celebration or an intimate gathering, we have packages tailored for every budget!

Looking for personalized touches? We offer a variety of extras and add-ons, including:
Accommodation + Direct Links
Wedding Timeline
Special Message Page
Bridal Party Page
Gift Registry Page
...and more. Just share your ideas, and we'll bring them to life!



What sets us apart...

Personalized Service & Relationships: We take the time to understand your vision and build meaningful relationships with our clients.

Exquisite Design: Every design is thoughtfully crafted to reflect your love story, creating a seamless and unforgettable experience for every couple.

Fully Responsive Websites: Our wedding websites are responsive and beautifully optimized to provide a seamless experience across all platforms and devices.

with love,

Lucy Badenhorst

If you would like a wedding website but want to save on the costs - we have a solution!

Introducing our wedding website templates - just replace the template information, images and color palette with your own!

Don't worry, you won't have to do anything. We do it for you. Simply book with us, complete the information sheet and have your wedding website ready and **live within one working day** for the basic one page template and **two working days** for the modern template!

The costs are once off. Your wedding website will be live until your wedding day.

You will receive the RSVP's on your preferred email address.

FAQ

Q: Can I book now for later?
A: Yes, you can! 50% deposit is required to book on the sale price. The other 50% is due when you are ready to start with the design.

Q: How do I book?
A: You can send us an email or whatsapp with the code for the package you are interested in.

Q: Can I add-on a Save the date?
A: Yes! A Save the date add-on to any package is only R70 extra.

Q: How long does it take to design the website?
A: The design process takes 5-12 working days to be completed. It will depend on the package you are interested in. Your lead-time will be on your quotation.

Q: If I need my website designed faster than the above lead-time, what can I do?
A: We do offer an express-design option at a fee, (R320 extra) then we design your website for you within 2-3 working days.

Book Now

Terms & Conditions

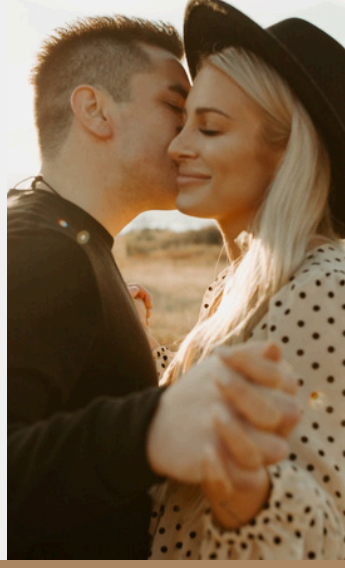
Upon enquiry, we will send you a quotation on the package of your choice.
We will also send you an information sheet. This sheet is the information we will need to be able to design your website for you. You can complete it and send it back to us.
Additional accommodation options can be added @R20 per accommodation option.
Additional images can be added @R7 per image.

Lead-times can vary and can be affected by unforseen circumstances.

To book on a sale price, 50% deposit is required to secure your booking at the sale price. This deposit is required before or on the end date of the sale - it will not be valid after that. The other 50% is payable when you are ready to start with your design / have all the information ready to start. View our T&C's at www.bhgstudios.co.za/terms

CUSTOM-DESIGNED

Every website is custom-designed according to your idea, style, theme and color scheme.



THE FACE BEHIND THE BUSINESS

Meet the designer...

Hi there!

My name is Lucy and I am the designer and director at by His grace studios. I started this business with one goal in mind - to make a difference. I have a passion for design and I love challenges.

I take on every project with a smile and I always tend to get excited along with my clients about the design. I aim to make a difference by creating memorable designs.

If you have any questions, I would love to answer them! Feel free to send me an email or a WhatsApp with your query.

I look forward to hearing from you and designing a wedding website that you will love and always remember.
